To the shareholders of the company:

The Board of Directors of Design Your Home Holding AB (DYH) would like to inform you that we decided yesterday, due to unusual movements of sales orders and prices, to request a suspension of trading of the DYH shares on the Marché Libre / EuroNext that we deem to be in best interest of shareholder values.

We currently attempt to investigate the reasons for this unusual movements of sales orders and prices

The company is in good standing: it has sufficient working capital to operate properly and the business meets the assumptions of management.

Until further clarification of the facts, which is likely to be expected in the short term, the stock remains suspended from trading.

We'll keep you updated.
